[For OMB 100317 IRIS Talking Points v2.docx](#)

Attached are the materials for the IRIS OMB briefing.

As per Tina:

- The IRIS Handout, attached. Much of the items in there have already been things we have been discussing with OMB. This just captures where we are.
- The talking points document (attached again) which get at the questions Eric Rosenfeld sent, minus the budget nuances. As for budget, OCFO is instructing us to stick with the high level talking points.
- The HHRA GPRA document (attached), in case we go there, which it sounds like we might.

Please remember that Jim Kim, Eric Rosenfeld, and Jim Laity have been talking to us and listening to all our presentations for the past several months.

Thanks,
Tina
